

Dear \_\_\_\_\_

Hello! On November 3, 2019, the Eighth Annual Indiana First Bank Veteran's Marathon, Half Marathon, and Marathon Relay will be run on the Ghost Town Trail beginning at Saylor Park in Black Lick, PA. The race is being conducted by the Indiana Road Runners Club and will again benefit our Indiana County veterans. In the first seven years, more than \$110,000.00 has been raised and donated to veterans programs in Indiana County. This past year, the race organizers created a specific fund, the Western Pennsylvania Veteran's Relief Fund, a 501c3 non-profit, to distribute proceeds from the race directly to area veterans in need. Working with local agencies, the WPVRF has provided assistance to veterans for expenses such as housing, heating, and other means of support.

Much of the success for the marathon's fundraising comes from our title sponsor, InFirst Bank, as well as our "mile" sponsors. We invite you to support the race and Indiana County veterans by becoming a mile sponsor (\$100 and up). Mile sponsorships help to defray the cost of putting on the races and support our fundraising efforts.

As a sponsor, your business will be featured on the sponsor page link on the race website, <https://veterans-marathon.com/>, promoted at media events and the race via announcements, a sponsorship banner, and any other relevant opportunities for promotion. Any donation, large or small, will be greatly appreciated! We also encourage you to provide us with any literature, marketing items, etc. that we will be happy to include in our runners' "swag bags."

As race directors, we appreciate all that the community has done to support the race in years past, and we hope to continue the great tradition of the InFirst Bank Marathon, Half Marathon, and Marathon Relay.

Sincerely,

Al and Candice Lockard
